Call for nominations NTCA & Technical Approved Persons Advisory Committee

RAASA is seeking nominations for the NTCA & Technical Approved Persons Advisory Committee to perform the following:

The committee shall consider and make recommendations to RAASA on maintenance, airworthiness and safety standards related to NTCA and technical approved persons, and on applications for the issue, renewal or amendment of technical approved persons certificates as required by RAASA.

The committee will concern itself primarily with the application of the applicable regulations provided in the SA-CARS, CATS and the TAP MOP; these include but are not limited to Parts 24, 44, 66.4 (soon replaced by 55 and 56), 94, 96 and 115; and to

- Recommend amendments or modifications to the ethics policy applicable to Technical Approved Persons;
- Consider and advise RAASA on matters related to the remedial actions, downgrading, suspension or cancellation of Technical Approved Person certificates;
- Assist with the development and make recommendations to RAASA on the training syllabus, practical experience requirements and theoretical knowledge examinations, for persons wanting to obtain or amend a Technical Approved Person Certificate;
- Consider and recommend on the suitability, qualifications and experience contained in applications of natural persons as Technical Approved Persons, to carry out maintenance, repair, modifications, overhauls and inspection of NTCA, their engines, components and equipment;
- The suitability and standards for the approval of NTCA maintenance facilities; and
- Technical matters pertaining to safety, new developments and the maintenance, repair, modifications, overhauls and inspections of NTCA.
- Consider and make recommendations on any other matters related to NTCA and technical approved persons as required by RAASA.

The committee shall concern itself with the application and development of ethics and discipline of its member's.

To be eligible to serve, nominees must possess the appropriate aviation and technical knowledge, experience or qualifications. The nominees shall further be fit and proper persons. Members are expected to attend the six meetings throughout the year.

Please submit nominations to: Danielle Coetzer @ danielle@raasa.co.za

You may nominate yourself or someone else meeting the qualifications. Feel free to call us if you have any questions.

Nominations must be received by Friday, 25 November 2016.
