PROJECT 24 - GENERAL

DATES FOR UPCOMING PROJECT 24 MEETINGS

Effective date: 04 November 2015

Dear Aircraft Safety Sub-Committee members

Please diarise the dates for the upcoming Project 24 meetings, as well as the four focus group as follows:

1. Meeting date for PROJECT 24 Work Group is 16th November at 10:00 to 12:00
2. Meeting for Focus Group 1 (Design, Manufacturing & Airworthiness) is 16th November at 12:30 – 14:00
3. Meeting for Focus Group 2 (Maintenance, Facilities & Personnel) is 16th November at 14:30 – 16:00
4. Meeting for Focus Group 3 (Operations) is 17th November at 10:00 – 12:00
5. Meeting for Focus Group 4 (Pilot Training & Licensing) is at 17th November at 13:00 – 15:00

E-mail Meeting requests will be send to each individual as per Focus Group closer to the Meeting Dates.

Purpose of the WG meeting at 10:00 on the 16th November is to give background on the project, the project plan, the approach to addressing the various items, and the rationale for the focus groups. Anyone wishing to attend the meetings are welcome.

~ The Project 24 Work Group meeting is an overall meeting designed to give feedback on previous focus group meetings

~ The Focus Groups are more specific and as you can see the regulations that are being looked at are grouped together.

It would be very helpful, if those that would like to participate in Project 24 could notify me on which Focus Groups they would like to participate, to best keep them informed of progress and dates of future meetings of the individual focus groups.

Further note that more information on Project 24 is available on the RAASA website which includes the draft documents and meeting minutes for viewing and public commentary. please click here to be routed directly to the Project 24 RAASA page.

All comments and suggestions need to be send to RAASA by e-mail on pierre@raasa.co.za. All input from the FG members and the public will be collated into a single document for discussion by the FG members and at the various FG meetings before acceptance and inclusion by the FG members into the master document.
