

APPENDIX R62.31

RECREATIONAL PILOT LICENCE INSTRUCTOR RATING
PARAGLIDERS, POWERED PARAGLIDERS, POWERED PARACHUTES, HANG
GLIDERS AND POWERED HANG GLIDERS
THEORY KNOWLEDGE

(1) Hangliding Recreational Flight Instructor

a) An applicant for the recreational flight instructor grade C must have written and passed the exam as set out by SAHPA. The pass mark being 85%. The subjects covered shall include:

- i) General Knowledge and Air Law
- ii) Hang Glider Structure and Aerodynamics
- iii) Navigation and Airspace
- iv) Flying Skills and Airmanship
- v) Meteorology and Airflow
- vi) Aeromedical
- vii) Liability Law

b) An applicant for the recreational flight instructor grade B must have written and passed the exam as set out by SAHPA. The pass mark being 85%. The subjects covered shall include:

- i) General Knowledge and Air Law
- ii) Hang Glider Structure and Aerodynamics
- iii) Navigation and Airspace
- iv) Flying Skills and Airmanship
- v) Meteorology and Airflow
- vi) Aeromedical
- vii) Liability Law
- viii) Training Methods
- ix) APPENDIX R62.26.

(2) Paragliding Recreational Flight Instructor

a) An applicant for the recreational flight instructor grade C must have written and passed the exam as set out by SAHPA. The pass mark being 85%. The subjects covered shall include:

- i) General Knowledge and Air Law
- ii) Paraglider Structure and Aerodynamics
- iii) Navigation and Airspace
- iv) Flying Skills and Airmanship

- v) Meteorology and Airflow
 - vi) Aeromedical
 - vii) Liability Law
- b) An applicant for the recreational flight instructor grade B must have written and passed the exam as set out by SAHPA as per **APPENDIX R62.26**. The pass mark being 85%. The subjects covered shall include:
- i) General Knowledge and Air Law
 - ii) Paraglider Structure and Aerodynamics
 - iii) Navigation and Airspace
 - iv) Flying Skills and Airmanship
 - v) Meteorology and Airflow
 - vi) Aeromedical
 - vii) Liability Law
 - viii) Training Methods
 - ix) APPENDIX R62.26

(3) Powered Paragliding Recreational Flight Instructor

- a) An applicant for the recreational flight instructor grade C must have written and passed the exam as set out by SAHPA as per **APPENDIX R62.26**. The pass mark being 85%. The subjects covered shall include:
- i) General Knowledge and Air Law
 - ii) Paraglider Structure and Aerodynamics
 - iii) Navigation and Airspace
 - iv) Flying Skills and Airmanship
 - v) Meteorology and Airflow
 - vi) Aeromedical
 - vii) Liability Law
- b) An applicant for the recreational flight instructor grade B must have written and passed the exam as set out by SAHPA as per **APPENDIX R62.26**. The pass mark being 85%. The subjects covered shall include:
- i) General Knowledge and Air Law
 - ii) Paraglider Structure and Aerodynamics
 - iii) Navigation and Airspace
 - iv) Flying Skills and Airmanship
 - v) Meteorology and Airflow
 - vi) Aeromedical
 - vii) Liability Law
 - viii) Training Methods
 - ix) APPENDIX R62.26

(4) Powered ParaChute Recreational Flight Instructor

a) An applicant for the recreational flight instructor grade C must have written and passed the exam as set out by SAHPA. The pass mark being 85%. The subjects covered shall include:

- i) General Knowledge and Air Law
- ii) Paraglider Structure and Aerodynamics
- iii) Navigation and Airspace
- iv) Flying Skills and Airmanship
- v) Meteorology and Airflow
- vi) Aeromedical
- vii) Liability Law

b) An applicant for the recreational flight instructor grade B must have written and passed the exam as set out by SAHPA as per **APPENDIX R62.26**. The pass mark being 85%. The subjects covered shall include:

- i) General Knowledge and Air Law
- ii) Paraglider Structure and Aerodynamics
- iii) Navigation and Airspace
- iv) Flying Skills and Airmanship
- v) Meteorology and Airflow
- vi) Aeromedical
- vii) Liability Law
- viii) Training Methods
- ix) APPENDIX R62.26.
